

COCKTAILS AT LA TERRAZA

We're all about bringing you a fun, flavourful experience inspired by the traditions of Spain: from the buzzing bars of Barcelona and the flamenco soul of Andalucía, to the bold flavours of the Basque Country and the tropical vibes of the Canary Islands.

Every cocktail is a little celebration, made to pair with good food, good company, and that laid-back Spanish attitude. Classic ingredients, regional influences, and a few playful twists; this is our way of mixing tradition with a touch of fiesta.

¡Salud!
